TABLE OF CONTENTS

01 Agilent® compatible automation tips

01-1 Bravo® and VPrep instruments

01-2 TapeStation® instruments

02 Beckman Coulter® compatible automation tips

02-1 NX/FX/iSeries® instruments with multi-channel head

03 Cybio Analytik Jena® compatible automation tips

03-1 Cybi FeliX® instruments

03-2 Cybio Well® instruments

04 Hamilton® compatible automation tips

04-1 Microlab® VANTAGE and STAR instruments with Multiprobe head

05 PerkinElmer® compatible automation tips

05-1 Janus® instruments with MDT head

05-2 Janus® instruments with Varispan arm

06 Tecan® compatible automation tips

06-1 Evo/Fluent® instruments with 96 MCA head

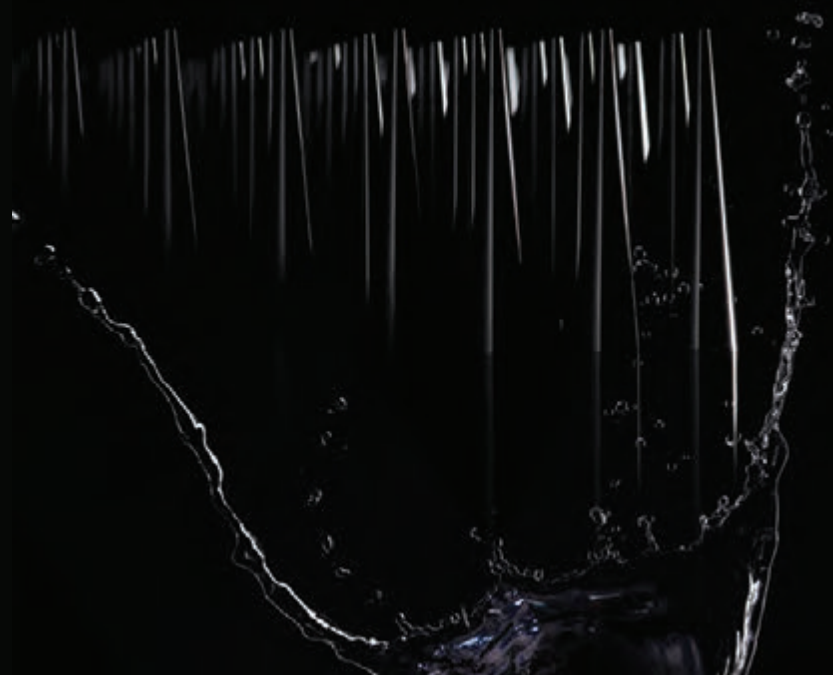

06-2 Evo/Fluent® instruments with 384 MCA head

06-3 Evo/Fluent® instruments with LiHa arm

07 Automation tips for other instruments

07-1 Molecular Devices® FLIPR® instruments

07-2 Qiagen Qiagility® instruments
